### **CanSkate Creative Improv**

Creative Improv programs are designed only by the skater with minimal preparation. Creative Improv tests the skater's ability to quickly interpret a given piece of music and entertain the audience. ½ ice will be used.

- All the skaters in each flight for an event are presented with a pre-selected piece of music by the Chief Referee/Tech Rep prior to the warm-up. All skaters in the flight for that event will perform to the same musical selection.
- Skaters will listen to the music twice in a designated area (i.e., dressing room or players box) and once on-ice during the warm-up period.
- Skaters are then kept in a sound-proof dressing room until it is their turn to perform.
  1. CREATIVE IMPROV CANSKATE– a 30 second piece of music, ½ ice
